Forward Looking Strategy

- Focus on higher segments and value added products, priced between from Rs.10/- to Rs.100/-
- Develop unique products and packaging which create differentiation for us.
- Improve profitability by selling products which are affordable for consumers and at the same time rewarding for the company.
- Focus on building strength and infrastructure in international geographies as the margins and realizations are better as compared to domestic.

Think it. Linc it.

THANK YOU
